Ibiza Freestanding Towel Warmer

Plug-In 120 V

The Ibiza Freestanding Towel Warmer brings spa-quality warmth anywhere — no installation, no electrician, no wall mounting required. Six evenly spaced round bars deliver gentle, even heat on a sleek freestanding frame that simply plugs into any standard outlet and stands wherever you need it. With a built-in multi-mode control and a nearly six-foot cord, the Ibiza offers the ultimate flexibility to warm a towel beside the tub, the shower, or in virtually any room of the home.

TWO FINISHES

Polished Stainless Steel

Matte Black

Crafted from premium 304-grade stainless steel with advanced TempSmart™ safety technology, the Ibiza pairs portable convenience with timeless modern design. Available in luminous Polished Stainless Steel and bold Matte Black.

PRODUCT FEATURES

Features

The Ibiza Freestanding Towel Warmer combines portable, plug-in convenience with a clean, modern profile to bring everyday luxury to any space. Every detail — from its integrated multi-mode control to its no-installation freestanding design — is built for flexibility, safety, and timeless style.

No Installation Required

Pure convenience. The Ibiza is fully freestanding — simply plug it into any standard 120 V outlet and place it wherever you like. No electrician, no wall mounting, no hardwiring.

Integrated Multi-Mode Control

Effortless control, built right in. A discreet integrated switch offers three modes — on/off, on for 2 hours, and on for 4 hours — for warm towels exactly when you want them.

Generous 6-Bar Design

Six evenly spaced round bars distribute heat gently and evenly, ideal for keeping a towel warm and dry at the side of the tub or shower.

Go-Anywhere Flexibility

A nearly six-foot (1.8 m / 71″) cord and self-standing frame let the Ibiza move with your needs — bathroom, ensuite, guest room, or beyond.

TempSmart Safe-Touch Heating

Built-in TempSmart™ technology automatically regulates the surface temperature, maintaining a safe, consistent warmth between **149°F and 167°F (65°C – 75°C)** depending on towel coverage.

Premium Stainless Steel Construction

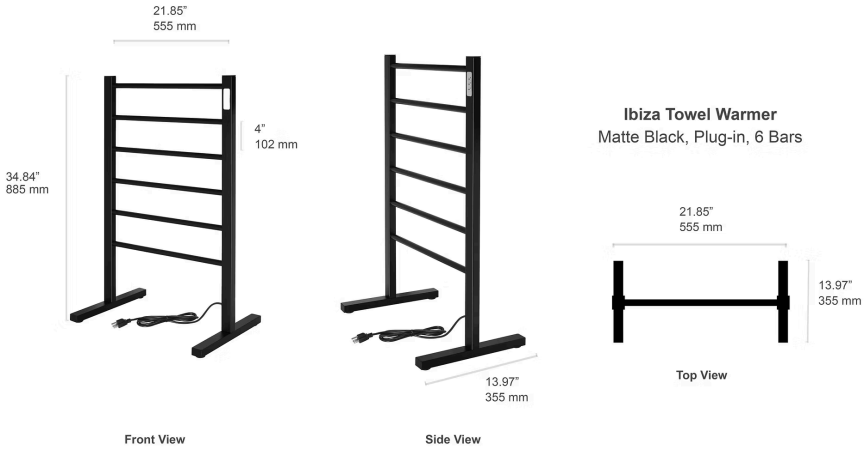

Crafted from premium 304-grade stainless steel and IP55-rated against dust and water — built to resist rust, corrosion, and the steamy reality of a high-humidity bathroom.

PRODUCT SPECIFICATIONS

Product Specifications

Explore the engineering behind the Ibiza's portable, freestanding design. The following specifications are shared across both finishes — for the performance figures unique to each finish, see the finish comparison on the following page. From its premium 304-grade stainless steel construction to its IP55 moisture rating and TempSmart™ safe-touch heating, every specification reflects our commitment to durable, safe, and flexible radiant warmth.

TWO FINISHES

Polished or Matte Black — Which Finish Is Right for You?

While both finishes share the same freestanding 6-bar frame, each carries its own finish treatment and a slightly different output profile.

Specification	Polished Stainless Steel	Matte Black
SKU	TWS5-IBZ06PP	TWS5-IBZ06KH
MSRP	$360	$390
Finish	Polished Stainless Steel	Matte Black
Material	304-Grade Stainless	304-Grade Stainless
Finish Process	Polished Stainless Steel	Powder Coated
Cord Color	White	Black
Watts / Amps	90 W / 0.75 A	100 W / 0.83 A
Resistance	160 Ω	144 Ω
Heat Output	307 BTU/hr	341 BTU/hr

Luminous Polished Stainless Steel

The Polished finish delivers a bright, reflective shine and timeless, classic elegance, pairing beautifully with both traditional and transitional spaces. Finished with a matching white cord.

Bold Matte Black

The Matte Black finish makes a striking, contemporary statement. Its deep, non-reflective powder-coated surface hides fingerprints and water spots beautifully and is finished with a coordinating black cord.

BUILT-IN CONVENIENCE

Simple Control, Right at Your Fingertips

Unlike hardwired models that pair with a separate wall control, the Ibiza keeps everything built in. Its integrated switch puts three simple modes at your fingertips — no extra timer, wiring, or accessories to purchase.

On / Off

Classic manual control — switch the Ibiza on for continuous warmth and off when you're done.

2-Hour Mode

Press once for two hours of warmth, then automatic shutoff — ideal for a morning or evening routine.

4-Hour Mode

Press again for an extended four-hour cycle before automatic shutoff — perfect for a busy household or guests.

- No separate control purchase required — the Ibiza's multi-mode switch is built directly into the unit.

SETUP STEPS | GUIDELINES

3 Simple Steps to Get Started

There's no installation, no electrician, and no tools required. The Ibiza is ready to warm towels in minutes.

Unbox & Assemble

Remove the Ibiza from the packaging and attach the base using the included hardware kit. Everything you need is in the box.

Place & Plug In

Stand the Ibiza wherever you'd like warm towels close at hand, and plug the cord into any standard 120 V outlet.

Select Your Mode

Press the integrated switch to choose On/Off, 2-hour, or 4-hour mode — and enjoy spa-quality warmth, anywhere.

ORDER INFORMATION

How to Order — It's Easy!

Choose your finish and place your order — because the Ibiza is freestanding and plug-in, there's no wall space to measure or electrician to schedule. The Ibiza Freestanding Towel Warmer is available in luminous Polished Stainless Steel and bold Matte Black, both on the same elegant 6-bar freestanding frame.

Step 1: Choose Your Finish

Select the finish that completes your space: luminous **Polished** (TWS5-IBZ06PP) for a classic, bright look, or bold **Matte Black** (TWS5-IBZ06KH) for a striking, contemporary aesthetic. Both stand on the same freestanding 6-bar frame.

Step 2: Confirm Your Outlet

Ensure a standard 120 V wall outlet is within reach of the 71″ cord at your preferred location — beside the tub, the shower, or anywhere in the home.

Step 3: Place Your Order

Order your Ibiza Freestanding Towel Warmer and enjoy warm towels in any room — no installation needed. Just unbox, assemble the base, plug in, and select your mode.

GOOD TO KNOW: The Ibiza is fully portable. Because it simply plugs in, you can move it between rooms or take it with you — no permanent installation.
