

Radiant Panel Collection

About WarmlyYours Heating

Frequently, we are asked how we chose the name of our company. When we began as an electric radiant heating products business over 20 years ago, we wanted a name that would embody the very essence of our business philosophy — treat our customers well and offer the very best floor-warming systems and services in the industry. And above all else, always deliver on those promises to our customers.

The name WarmlyYours reflects our deep, personal commitment to providing our customers with the exceptional customer service that they deserve. We welcome any questions and relish the opportunity to provide our customers with prompt and friendly assistance. Listening to feedback from thousands of homeowners and installers, we continue to improve on everything we do in our effort to better serve our customers. As a result, we have expanded our portfolio to include other radiant heating products — such as towel warmers and radiant panel heaters — to bring comfort and affordable luxury to all areas of the home.

WarmlyYours has locations in both the United States and Canada. Throughout North America, our customers recognize our commitment to exceptional service and product quality.

99% ★★★★★
of our customers report complete satisfaction with our service

97% ★★★★★
of our customers report complete confidence in our product quality

24/7 Installation Support

Call us any time — day or night, weekday or weekend — with any questions or installation challenges. Our technical support team is here to help. That's our commitment to our customers and their businesses.

Same-Day Shipping

For US orders shipping via parcel, simply submit your order by these times and we will process your order and have it on its way by the end of the day:

4 PM Central Time for UPS and FedEx
2 PM Central Time for Speedee
12 PM Central Time for USPS
9 AM Central Time for Freight

Open Return Policy & No Restocking Fees

Our return policy is simple. If we still sell the product and it's in resalable condition, you may return it at any time — even years later. We do not have restocking fees for any of our products. We know that life does not always run according to an ideal schedule, and at WarmlyYours, you come first.

Ember Glass White

This Ember radiant panel can be mounted horizontally or vertically to any wall in a home to provide energy efficient infrared radiant heat. Our Ember Glass panels are solidly constructed and these feature an attractive white finish.

Unlike convection heating, this panel does not circulate dust or other allergens into the air. Plus, it can be multi-functional. Use the Ember radiant panel to heat up a room, or attach towel bars to a vertically mounted unit to create a unique, stylish towel warmer.

These panels are also dual connection, meaning they can be used "as is" to plug into a standard 120 VAC outlet or they can be modified by a licensed electrician to have a hardwired 120 VAC electrical connection.

- Comes with an attractive white finish and a 5-year warranty
- Can be mounted horizontally or vertically
- Add-on accessories include towel bars (vertical installation only)

Warranty	5 Years
Optional Controls	<ul style="list-style-type: none">• Hardwired Radiant Heating Thermostats• Hardwired 4-Setting Countdown Timer• Hardwired Programmable Timer• Hardwired WiFi Switch

Ember Glass Black

This Ember radiant panel can be mounted horizontally or vertically to any wall in a home to provide energy efficient infrared radiant heat. Our Ember Glass panels are solidly constructed and these feature an attractive black finish.

Unlike convection heating, this panel does not circulate dust or other allergens into the air. Plus, it can be multi-functional. Use the Ember radiant panel to heat up a room, or attach towel bars to a vertically mounted unit to create a unique, stylish towel warmer.

These panels are also dual connection, meaning they can be used “as is” to plug into a standard 120 VAC outlet or they can be modified by a licensed electrician to have a hardwired 120 VAC electrical connection.

- Comes with an attractive black finish and a 5-year warranty
- Can be mounted horizontally or vertically
- Add-on accessories include towel bars (vertical installation only)

Optional Controls	<ul style="list-style-type: none">• Hardwired Radiant Heating Thermostats• Hardwired 4-Setting Countdown Timer• Hardwired Programmable Timer• Hardwired WiFi Switch

Ember Mirror

Ember Mirror panels are ideal for bathrooms, because they can effectively replace a traditional mirror and also function as a mirror defogger as they radiate warmth throughout the room.

The panels can be installed to a wall vertically or horizontally and are dual connection, meaning they can be used “as is” to plug into a standard 120 VAC outlet or they can be modified by a licensed electrician to have a hardwired 120 VAC electrical connection.

Towel bars are also available as accessories for vertically mounted panels. Ember Mirror panels come with an industry-leading 5-year warranty.

- Functions as a mirror, mirror defogger, heating element, and (with accessory) towel warmer
- Can be mounted horizontally or vertically
- Add-on accessories include towel bars (vertical installation only)

Ember Flex

Our Ember Flex radiant panel heaters offer an aesthetically pleasing and energy efficient alternative to unattractive, inefficient and potentially dangerous traditional space heaters.

These white panels, which come with a 5-year warranty and integrated frame, are also dual connection, meaning they can be used “as is” to plug into a standard 120 VAC outlet or they can be modified by a licensed electrician to have a hardwired 120 VAC electrical connection.

Additionally, these lightweight radiant heating panels can be suspended from the ceiling to radiate heat from directly overhead. These panels also come with everything needed to mount them to the ceiling.

- Can be mounted horizontally or vertically on your wall
- These lightweight panels also come with everything you need to suspend them from your ceiling
- Applicable accessories include towel bar* and stand attachments

*Excludes IP-EM-FLX-WHT-0300-CW

Ember Accessories

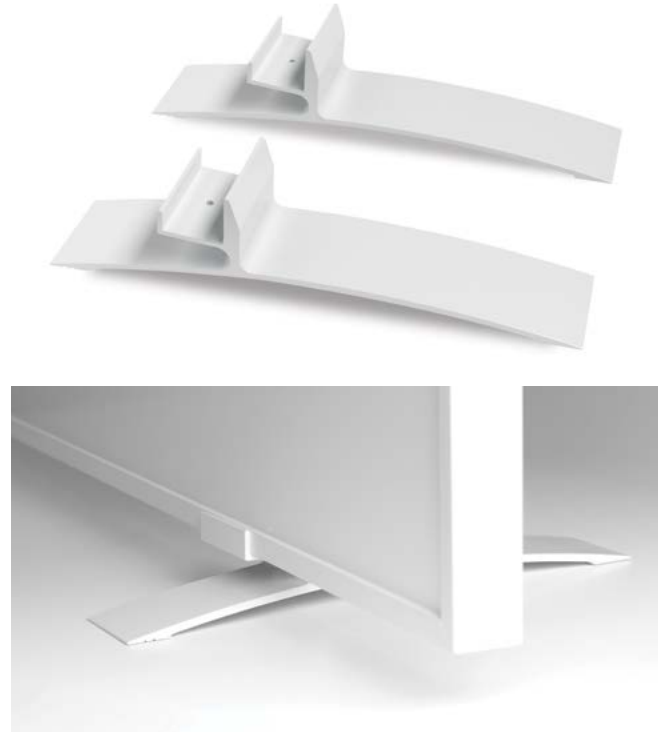

Ember Flex Stand

These 2 secure and low-profile stand attachments will allow you to stand up your plug-in Ember Flex radiant heating panel with the longest dimension horizontal. This is great for offices or for areas where it's not practical to attach a heating panel to the wall or ceiling.

This accessory is compatible with all Ember Flex radiant panels. It does not work with Ember Glass or Ember Mirror radiant panels.

- Compatible with all Ember Flex radiant panels
- Can stand horizontally

SKU	Weight	Finish	MSRP
IP-EM-ACC-STND	1 Pound	White	\$49

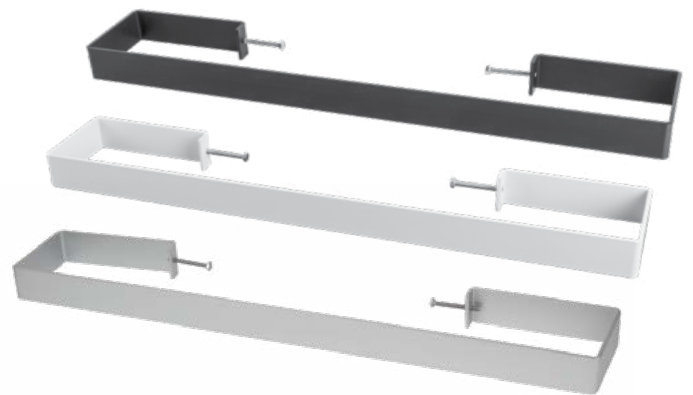

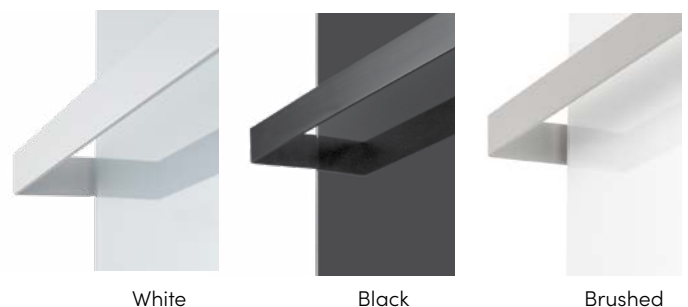

Ember 24" Towel Holder Bar

Up to two towel bars can be installed per Ember radiant panel. To keep installation simple, the towel bars can be quickly and easily attached to holes located on the backside of the vertically mounted panel.

For 47" x 24" models the 2 mounting points are 16 3/4" from top and bottom of the panel. For 35" x 24" models, the 2 mounting points are 9" from the bottom and top of the panel.

- This accessory works with all Ember radiant heating panels excluding the 35" x 12" Ember Flex Panel
- Available with brushed, white, or black finishes

SKU	Weight	Finish	MSRP
IP-EM-ACC-BAR	1.5 lb	Brushed	\$69
IP-EM-ACC-BAR-BLK	1.5 lb	Black	\$79
IP-EM-ACC-BAR-WHT	1.5 lb	White	\$79

Modifying Ember Dual Connect

Ember Glass and Flex panels are dual connection, meaning they can be used “as is” to plug into a standard 120 VAC outlet or they can be modified by a licensed electrician to have a hardwired 120 VAC electrical connection.

- We strongly recommend that these conversions be completed by a licensed electrician
- Below you can see, step-by-step, how the electrical connection for a panel is converted from plug-in to hardwired

Converting Ember Dual Connect Electrical Cords for 120 VAC Hardwire Connection

Hardwired Controls

We're here to help you choose the best control for your towel warmer or radiant panel heater. If you have any questions, speak to a radiant heating expert at WarmlyYours.com/contact or call us at 800-875-5285.
